

### **3rd HKU International Musculoskeletal Tumour Course (27-29 Nov 2020) - Preliminary Program**

#### **27 November 2020 (Friday): Principles of Musculoskeletal Tumour Surgery (D1)**

<b>Time</b>	<b>Topic</b>
08:00-08:50	Registration / Check-in
08:50-09:00	Opening Speech
09:00-09:30	Principles of bone tumour pathology
09:30-10:00	Principles of bone tumour imaging
10:00-10:30	Principles of soft tissue tumours pathology
10:30-11:00	Imaging of soft tissue tumours
11:00-11:10	Q&A
11:10-11:30	Coffee break
11:30-11:50	"No Touch lesion"
11:50-12:10	Biopsy techniques
12:10-13:00	Case presentation and discussion (1) : ask the participants/ experts
13:00-13:10	Q&A
13:10-14:30	Lunch symposium: Computer navigation planning - How I do it?
14:30-15:00	Management of osteosarcoma
15:00-15:30	Management of chondroid lesion and chondrosarcoma
15:30-16:00	Management of giant cell tumour of bone
16:00-16:10	Q&A
16:10-16:30	Coffee break
16:30-17:00	Prosthetic reconstruction in musculoskeletal oncology: evolution and future perspectives
17:00-18:00	Case presentation and discussion (2): ask the participants/ experts
18:00-18:10	Q&A
18:10	Adjourn

#### **28 November 2020 (Saturday): Principles of Bone Tumour Surgery (D2)**

<b>Time</b>	<b>Topic</b>
08:00-09:00	Registration / Check-in
09:00-09:20	Surgical margins in surgery planning
09:20-09:40	Computer navigation and 3D printing
09:40-10:00	Prosthetic bone reconstruction: cases and long term outcome
10:00-10:20	Biological bone reconstruction: techniques and long term outcome
10:20-10:30	Q&A
10:30-10:50	Coffee Break
10:50-11:10	Chemotherapy, targeted and immunotherapy in bone tumour
11:10-11:30	Radiotherapy in bone tumour
11:30-12:30	Case presentation and discussion (3): ask the participants/ experts
12:30-12:40	Q&A
12:40-14:00	Lunch symposium: Megaprosthesis infection management - How I do it?
14:00-14:20	Pelvic tumour: surgical management
14:20-14:40	Spine tumour: surgical management
14:40-15:40	Case presentation and discussion (4): ask the participants/ experts
15:40-15:50	Q&A
15:50-16:10	Coffee Break
16:10-16:30	Management of bone metastasis: the principles
16:30-16:50	Interventional radiology in orthopaedic tumour surgery
16:50-17:50	Case presentation and discussion (5): ask the participants/ experts

17:50-18:00	Q&A
18:00	Adjourn

**29 November 2020 (Sunday): Principles of Soft Tissue Tumour Surgery (D3)**

Time	Topic
08:00-09:00	Registration / Check-in
09:00-09:20	Management of soft tissue tumours: the principles
09:20-09:40	Techniques of plastic surgery in musculoskeletal tumour surgery
09:40-10:00	Radiotherapy in soft tissue sarcoma
10:00-10:20	Personalized medical treatment in soft tissue sarcoma
10:20-10:30	Q&A
10:30-10:50	Coffee Break
10:50-12:50	Case presentation and discussion (6): ask the participants/ experts
12:50-13:00	Closing remark
